Hi there,
Thanks for purchasing from **Unio** | Creative Solutions.

About The File:

Milano RetroFuristic Sans, is a retro/contemporary all caps typeface designed with sophistication and elegance.

This font features a renovated construction based on the modernist geometric sans of the first half of the past century. A case study has in fact been required to revamp those typefaces and that has resulted in a new visual approach with reinterpreted clean letterforms supplemented by sharp edges.

“Milano Sans” offers an extended characters set with more than 300 glyphs and covers several languages based on the Latin alphabet. Furthermore, the experience is enhanced with open type (OTF) support for small caps and superiors and includes some neat ligatures and alternates, as well.

Ideal for headlines, logos and any destination of use such as corporate identity, typography, posters, web design and social feeds.

Specifications:

- Files included: Milano Sans
- Formats: .otf , .ttf
- Multilanguage support
- Small Caps
- OpenType features (alternates, ligatures)
